ECO CLEAN · TECHNICAL DATA SHEET

Dish Rinse Additive

Rinse aid for commercial automatic dishwashing machines, fed into the final rinse water by the machine's dispensing equipment. It makes the rinse water sheet off the dishes, helping to prevent spots and film and to speed drying.

BENEFITS

- Helps prevent spots and film
- Speeds drying: no need to dry dishes by hand
- Fed automatically into the final rinse

USES

Where to use

- Commercial kitchens with automatic dish machines

What to clean

Dishes, glassware and utensils, in the final rinse of automatic dish machines.

DIRECTIONS

1. Connect the container to the dish machine's rinse aid dispensing equipment and use according to the dishwasher instructions.
2. Wear eye protection when connecting, changing or refilling containers.
3. For professional use through dishwasher dispensing equipment only. Not for hand dishwashing.
4. Do not mix with chlorine bleach or chlorinated products, which can release chlorine gas, or with other cleaning products or chemicals.

AVAILABLE PACKAGES

Code	Package	UPC
D11028	Case of 4 jugs, 4 x 1 US gal (3.785 L)	787302110285

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Liquid	**Color**	Blue
Odor	Mild alcohol odor	**pH**	3.1 (undiluted)
Relative density (water = 1)	1.00	**Flash point**	Aqueous solution, not expected to sustain combustion
Flammability	Not flammable	**Solubility in water**	Completely miscible

SAFETY

WARNING

Causes serious eye irritation.

Hazard ratings

Health	2
Flammability	0
Physical hazard	0

NFPA 704 and HMIS ratings: 0 minimal, 1 slight, 2 moderate, 3 serious, 4 severe.

Personal protection	**Eyes and face:** Safety glasses with side shields when handling the undiluted product, or chemical splash goggles if splashing is likely, such as when pouring or changing containers. **Hands:** Nitrile or butyl rubber gloves for prolonged contact with the undiluted product or for spill cleanup.
Storage	Store in the original container, tightly closed, in a cool, well-ventilated area out of direct sunlight. Avoid storage above 40 °C (104 °F). Keep out of reach of children. Keep away from bleach, strong oxidizing agents, strong bases and the other incompatible materials listed in SDS Section 10.
Emergency	Poison Control: 1-800-222-1222 (24 hours)

Make sure your employees read and understand the Safety Data Sheet (SDS) and the product label before use. Safety values on this sheet are taken from SDS-D11028 version 1 (2026-10-25). SDSs in English and Spanish are available at www.gascoindustrial.com, from your sales representative or at (787) 737-4000.
