Hazard ratings

Health	1*
Flammability	0
Physical hazard	0
PPE	B

NFPA 704 and HMIS ratings: 0 minimal, 1 slight, 2 moderate, 3 serious, 4 severe.

Personal protection	**Eyes and face:** Safety glasses with side shields. Wear chemical splash goggles where splashing of the undiluted product is possible, such as when filling sprayers or diluting. **Hands:** The product is a skin sensitizer. Wear chemical-resistant gloves, such as nitrile rubber, when handling the undiluted product and whenever prolonged or repeated skin contact is likely.
Storage	Store in the original container, tightly closed, in a cool, well-ventilated area out of direct sunlight, at 5 to 40 °C (41 to 104 °F). Protect from freezing. Keep out of reach of children. Keep away from strong oxidizing agents, such as bleach, and from strong acids.
Emergency	Poison Control: 1-800-222-1222 (24 hours)

Make sure your employees read and understand the Safety Data Sheet (SDS) and the product label before use. Safety values on this sheet are taken from SDS-D11090 version 1 (2026-10-25). SDSs in English and Spanish are available at www.gascoindustrial.com, from your sales representative or at (787) 737-4000.

CERTIFICATIONS
