ECO CLEAN · TECHNICAL DATA SHEET

Foaming Oven & Grill Cleaner

Ready-to-use alkaline foaming cleaner for ovens, grills and other commercial kitchen equipment. It removes heavy grease, fats, baked-on food and carbonized soil, and rinses off with water.

BENEFITS

- Ready to use, in a trigger-spray bottle
- Clinging foam for longer contact time on vertical surfaces
- Loosens baked-on grease, carbon and food residue
- Rinses off with water

USES

Where to use

- Schools
- Restaurants and cafeterias
- Commercial and institutional kitchens

What to clean

Ovens, grills, fryers, range hoods, pots and other kitchen equipment.

DIRECTIONS

1. Spray directly onto the soiled surface.
2. Let the foam work on the soil, then rinse thoroughly with water.
3. Rinse surfaces that come into contact with food with potable water after cleaning.
4. Do not spray toward the face or toward other people, and avoid spraying onto very hot surfaces.
5. Test painted or coated surfaces on a small hidden area first.
6. Do not use on aluminum, zinc, tin or galvanized metal. Do not mix with acids or with other cleaning products or chemicals.

AVAILABLE PACKAGES

Code	Package	UPC
D11046	Case of 12 bottles, 12 x 32 fl oz (946 mL)	787302110469

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Liquid	**Color**	Colorless to pale yellow
Odor	Citrus	**pH**	13 to 14 (as supplied)
Relative density (water = 1)	Approx. 1.02 at 20 °C (68 °F)	**Flash point**	No flash point (water-based solution)
Flammability	Not flammable	**Solubility in water**	Completely miscible

SAFETY

DANGER

May be corrosive to metals. Causes severe skin burns and eye damage.

Hazard ratings

Health	3
Flammability	0
Physical hazard	0

NFPA 704 and HMIS ratings: 0 minimal, 1 slight, 2 moderate, 3 serious, 4 severe.

Personal protection	**Eyes and face:** Chemical splash goggles. Add a face shield when spraying overhead or into enclosed equipment, or wherever splashing is likely. **Hands:** Alkali-resistant gloves, such as nitrile, neoprene, butyl rubber or polyvinyl chloride. Confirm breakthrough time with the glove manufacturer for the conditions of use.
Storage	Store in the original, closed container, upright, in a cool, well-ventilated area, out of direct sunlight and away from heat. Store locked up. Protect from freezing. Keep away from acids and the other incompatible materials listed in SDS Section 10. Store away from food and food packaging materials. Do not store in aluminum, galvanized or other reactive metal containers; the original plastic bottles are suitable.
Emergency	Poison Control: 1-800-222-1222 (24 hours)

Make sure your employees read and understand the Safety Data Sheet (SDS) and the product label before use. Safety values on this sheet are taken from SDS-D11046 version 3 (2026-10-25). SDSs in English and Spanish are available at www.gascoindustrial.com, from your sales representative or at (787) 737-4000.
