ECO CLEAN · TECHNICAL DATA SHEET

Glass Cleaner Concentrate

Concentrated cleaner for glass and hard surfaces such as windows, mirrors, windshields, displays and counters. Dilute with water before use.

BENEFITS

- Concentrate: 2 oz per gallon of water (1:64)
- Removes dirt, grease, oil, smudges, fingerprints and lipstick
- For glass and hard surfaces

USES

Where to use

- Clothing stores
- Schools
- Supermarkets
- Restaurants

What to clean

Windows, mirrors, windshields, displays, counters and other hard surfaces.

DIRECTIONS

1. Dilute 2 oz of concentrate per gallon of water (1:64) and fill a spray bottle.
2. Spray directly on the dirty surface.
3. Wipe with a paper towel or cloth.
4. The concentrate is flammable: keep it away from heat, sparks, open flames and other ignition sources.
5. Do not mix with other chemicals, including chlorine bleach.
6. For professional and industrial use only.

AVAILABLE PACKAGES

Code	Package	UPC
D11041	Case of 4 jugs, 4 x 1 US gal (3.785 L)	787302110414

PHYSICAL AND CHEMICAL PROPERTIES

Appearance	Liquid	**Color**	Blue, clear
Odor	Characteristic	**pH**	No data available
Relative density (water = 1)	Approx. 0.93 at 20 °C (68 °F)	**Flash point**	Approx. 21 °C (70 °F), closed cup
Flammability	Flammable liquid and vapor (Category 3)	**Solubility in water**	Completely miscible

SAFETY

WARNING

Flammable liquid and vapor. Causes serious eye irritation. May cause drowsiness or dizziness.

Hazard ratings

Health	2
Flammability	2
Physical hazard	0

NFPA 704 and HMIS ratings: 0 minimal, 1 slight, 2 moderate, 3 serious, 4 severe.

Personal protection	**Eyes and face:** Chemical splash goggles when handling the concentrate. Add a face shield where splashing is likely. **Hands:** Chemical-resistant gloves, such as nitrile rubber or butyl rubber. Confirm breakthrough time with the glove manufacturer for the conditions of use.
Storage	Store in a cool, well-ventilated area for flammable liquids, away from heat, ignition sources and direct sunlight. Keep containers tightly closed when not in use. Store locked up. Store in accordance with 29 CFR 1910.106 (Category 3 flammable liquid), NFPA 30 and local fire codes. Keep away from strong oxidizing agents, strong acids, chlorine bleach and the other incompatible materials listed in SDS Section 10.
Emergency	Poison Control: 1-800-222-1222 (24 hours)

Make sure your employees read and understand the Safety Data Sheet (SDS) and the product label before use. Safety values on this sheet are taken from SDS-D11041 version 2 (2026-10-25). SDSs in English and Spanish are available at www.gascoindustrial.com, from your sales representative or at (787) 737-4000.

CERTIFICATIONS

- Evaluated by NSF (National Sanitation Foundation) for the Design for the Environment (DfE) program.
- All ingredients are registered in CleanGredients.
